Description

The [Mixed Business Incubator – INCETEC](#), is a body linked to the Technological Innovation Nucleus – NIT/Directorate of Technological Innovation and Entrepreneurship – DITE, of the Pro-Rector of Research, Post-Graduate and Innovation – PPPI, of the IFSULDEMINAS.

INCETEC is headquartered at the Inconfidentes Campus and the other IFSULDEMINAS campuses may host Incubator Nucleus, and its mission is to promote the technological, economic, social and cultural development of the regional innovative and entrepreneurial ecosystem, and as a philosophy the rational use of economic infrastructure , scientific and technological, in a shared way, enabling the operationalization and development of new companies, products and services with a mixed base.

The mixed-based incubator houses, at the same time, technological, traditional and social-based enterprises. IFSULDEMINAS has **17 (seventeen)** startups (pre-incubated, incubated, graduated and other companies).

IFSULDEMINAS still has numerous [junior companies](#), including the **10 (ten)** listed in the first table.
